## .the PORTRAIT SESSION

Nathan & Tasha Hakeem shoot on location in any of the many beautiful locations that surround our area. Local travel is included in the session fee. Further travel is an additional cost. Any price differences will be clearly discussed, if needed. An Agreement must be signed before each session.

The photo shoot fee is \$250 inclusive for two individuals, which includes either ONE 12"x18" print or TWO 8"x10" prints of your choice from the session. To reserve your date, a 40% Reservation Fee is required and is non-refundable after 60 days before the shoot. Please add \$20 per extra person or \$80 per multiples of five people. The shoot can last between 45 minutes and two hours depending on your session. Once your images are ready, you will be sent a link to a password-protected online album will hold 20-50 final images from which you may choose your print(s).

We like to spend up to 20 minutes before the shoot with you, as this is where we are able to create together to ensure you are completely satisfied with your photographs. It is also important that time be spent before the shoot to help relax you as much as possible in front of the camera as this is always reflected in the final images – especially with children.

In addition to the print(s) included in the Session Package, you may select additional prints in the following available sizes. Packages are also available.
